Consciousness- Joy- Wisdom

About the Club

Project to Create a Club for "Debate on Personal Development". Organizational Link The Club is a structure that operates initially under the legal umbrella of the DYAE VISION Consulting Firm, specialized in the field of consulting, training, and coaching, located at 20 RUE AGUELMANE SIDI ALI APPT 02, AGDAL. This membership will facilitate the Club, managed independently (program and finance), the deployment of its action plan and the development of its multiple partnerships, it can also use the resources of DYAE VISION to better carry out its mission.

Reason for being:

To clarify the misunderstandings and points of divergence through dialogue, interaction, and the establishment of a holistic and complementary vision; this in order to further promote the field of Personal Development in our country.

Name of the Club:

DYAE WAY with the main slogan: "Consciousness, Joy and Wisdom"

Mission:

The DYAE WAY Club is an intellectual and cultural space bringing together individuals and entities with a common interest: a concern for the Human being, in search of happiness, enlightenment, and wisdom. It aims to contribute to debates on philosophies, thoughts, paths of personal development, and related issues in the contemporary world. It also assigns itself, as a horizon, to open a space for exchange, mutual listening, sharing, and events conducive to awakening and consciousness in all its dimensions: cognitive, emotional, and conative.

Vision:

DYAE WAY ensures the connection of individuals as well as actors and operators interested in issues related to the flourishing and happiness of contemporary Man.

Objectives:

DYAE WAY works towards:

- Creating and updating of a knowledge base related to the philosophies, currents, schools, practices, and movements of personal development of contemporary Man.
- Identifying the actors of personal development in Morocco and abroad, notably philosophers, thinkers, project bearers, sages, masters, coaches, and specialists in the field of personal development.
- The establishment of adequate support for the presentation and dissemination of knowledge and know-how related to the field of personal development: (web platforms, media libraries, libraries, bibliographic references, etc.).
- Organizing a series of meetings with prominent figures in this field: (round tables, seminars, conferences, dialogues, congresses, etc.)
- Organizing cultural and spiritual tourism outings and trips both in Morocco and abroad with the aim of exploring places, knowing personalities, and discovering cultural and civilizational spaces in a world in search of better knowledge.

The Development of partnerships with the university, academic, institutional, associative and entrepreneurial world in order to concretize its action plans with all the entities (or with all the organizations) having a similar or complementary interest.
